MIDEA

A man with dark curly hair and a beard, wearing a navy blue polo shirt and khaki pants, is walking and pushing a blue and black industrial vacuum cleaner. He is looking towards the right of the frame.

The vacuum cleaner is a blue cylindrical unit on a black four-wheeled base. It has a black top section with a handle and a power cord. The text "M1 DUPUY" is printed vertically in white and red on the blue section. There are also some control knobs and a yellow label on the side.

A cardboard box is on the floor to the left of the man. It is partially open and appears to contain some items.
